

8 WAYS

to be an effective LEADER

Leadership Tips from Vivo Team's Executive Coaches

Move decisions forward

How? Instead of sitting on decisions or procrastinating, action them.

Be energetic & inspiring

Believe in your people

Say "Yes"

Make each day a series of small "yeses" and model this for your team.

Measure achievement

- Set benchmarks
- Track development
- Chart growth

Use "The Platinum Rule"

Find out what others want, are interested in, and passionate about, and do everything you can to help them to reach their goal(s)!

Embrace discomfort

- Be open to work through issues and conflicts
- Be willing to learn

Listen

Active listening helps avoid misunderstandings.
